MATTHEW PEVERILL, MS

Stress & Development Laboratory
Department of Psychology
Box 351525
Seattle, WA 98195
857-277-9083
mrpeverill@gmail.com

EDUCATION

University of Washington
Ph. D. in Clinical Psychology (2014-present)) **In Progress**

University of Washington
M.S. in Clinical Psychology **2017**

Amherst College
B.A. in Psychology **2007**

RESEARCH EXPERIENCE

Stress and Development Laboratory, University of Washington
Graduate Research Assistant **2014 – Present**
Pre-processed and analyzed fMRI data. Conducted Clinical and life stress interviews of children 8-17 with and without histories of physical and sexual abuse. Mentored research staff and honors students through early research projects. Supervised Freesurfer structural MRI quality assurance.

Sheridan Laboratory, Children's Hospital Boston
Research Coordinator **2013 – 2014**
Developed data analysis methods and coordinated fMRI data collection with 5-7 year old children with hyperactivity. Subject recruitment and lab administration.

Stress and Development Laboratory, Children's Hospital Boston
Research Assistant Volunteer **2012-2013**
Developed data analysis scripts. Assisted in fMRI data collection.

CLINICAL EXPERIENCE

UW Parent Child Clinic
Staff Therapist **2017 – 2019**
Case load of two parent training cases.

The Seattle Clinic PEERS Teen Group
Coach **2017 – 2018**

Assisted group administration of social skills training.

Seattle Children's Hospital Neuropsychological Testing Consult Service
Student Therapist **2016 – 2017**
Administered neuropsychological exams to children of all ages.

UW Psychological Services and Training Center
Staff Therapist **2015 – 2019**
Case load of two supervised child and adult clients.

TEACHING EXPERIENCE

Psychology Department, University of Washington
Teaching Assistant **Winter – Spring 2019**
TA for PSYCH 220: Biopsychology.

Psychology Department, University of Washington
Teaching Assistant **Fall 2016**
TA for PSYCH 345: Social Psychology.

PEER-REVIEWED ARTICLES

BOOK CHAPTERS

Peverill, M., & McLaughlin, K. A. (2017). Harnessing the Neuroscience Revolution to Enhance Child and Adolescent Psychotherapy. In J. R. Weisz & A. E. Kazdin (Eds.), *Evidence-Based Psychotherapies for Children and Adolescents*, Third Edition. Guilford Publications.

INVITED TALKS

Peverill, M., Lambert, H. (2016). *Childhood Adversity and the Developing Brain: Implications for Intervention.* Lecture delivered to the How Do I Learn Advanced Summer Institute, UW Educational Outreach

SELECTED CONFERENCE PRESENTATIONS

Peverill, M., Rosen, ML., Sambrook, KA., Sheridan, MA., McLaughlin, KA. (2019) *Differential Associations of early threat and deprivation with brain structure.* Poster presented at the meeting of the FLUX society, New York, NY.

Lambert, Hilary K., **Peverill, M.**, Sambrook, Kelly A., Rosen, M.L., Sheridan, Margaret A., McLaughlin, Katie A. (2019) *Altered Development of Hippocampus-Dependent Associative Learning following Early-Life Adversity.* Poster presented at the meeting of the Society of Research in Child Development, Baltimore, MD.

Peverill, M. Rosen, M.L., Sambrook, Kelly A., Sheridan, Margaret A., McLaughlin, Katie A. (2019) Differential association of early experiences of threat and deprivation with cortical thickness. In D. G. Weissman (Chair), *Beyond stress: Identifying specific pathways between childhood and adolescent risk factors and mental health.* Symposium conducted at the meeting of the Society of Research in Child Development, Baltimore, MD.

Peverill, M., Sheridan, M., McLaughlin, K. (2016) *Child Maltreatment and Emotion Regulation Networks.* Poster presented at the conference 'Early Experience and Sensitive Periods in Development', Erice, Sicily, September, 2016.

Peverill, M., Finn, A., McLaughlin, K., Sheridan, M. (2016) *Working Memory Filtering Continues to Develop in to Late Adolescence.* Poster presented at the annual meeting of the Association of Psychological Science, Chicago, IL, May, 2016.

Peverill, M., Finn, A., McLaughlin, K., Sheridan, M. (2014) *Prefrontal Cortex Recruitment During Working Memory Filtering in Adolescents and Adults.* Poster presented at the annual meeting of the Cognitive Neuroscience Society, Boston, MA, April, 2014.

AWARDS

FLUX Society

Graduate Student Travel Award **August 2019**

Society of Research in Child Development
Graduate Student Travel Award **January 2019**

UW Department of Psychology
Robert C. Bolles Graduate Fellowship **October 2018**

UW College of Arts and Sciences
Arts & Sciences Natural Science Fellowship **March 2014**

SELECTED COMMUNITY SERVICE

Gender Odyssey Kid's Camp; Seattle, WA
Volunteer **2016, 2017**
Provided childcare at one weekend day camp for transgender and gender nonconforming children aged 5-17.

Gender Odyssey Kid's Camp; Seattle, WA
Area coordinator **2015**
Planned and supervised one weekend day camp for transgender and gender nonconforming children aged 5-17.

National Organization of Men Against Sexism (NOMAS); Boston, MA
Planning Member **2008-2012**
Moderated multiple 4 week discussion sections for male bodied and/or male privileged adults with a focus on gender, gender equity, and violence prevention. Planned and/or participated in multiple pro-feminist events, including supply drives and public speaking events.

Safe Passage; Northampton, MA
Counselor Advocate Intern **2004**
Received hotline calls from women in domestic violence situations. Provided support and service referrals.

PREVIOUS WORK EXPERIENCE

pika; MIT
Counselor Advocate Intern **2009-2012**
Lived with 25 graduate and undergraduate students in a cooperative living group. Moderated conflicts and facilitated group conversations in the community. Provided risk management and oversight. Provided emergency response, counseling, and service referrals within the house.

Planned Parenthood League of Massachusetts
Managing Analyst **2012-2013**

Senior Analyst **2010-2012**
Applications Specialist **2009-2010**
Help Desk Specialist **2007-2009**

Managed 3 person team providing technical support to a large community health organization (7 offices, 250 staff). Managed large infrastructure projects including telecom and communications software upgrades and installations. Developed and implemented software solutions to reduce costs. Assisted with Electronic Medical Records implementation and support.
